

WAKANDA RISES!
SHURI-LY THERE SHOULD BE MORE WOMEN IN ECONOMICS?

**Less than 26% of econ students are Women
or BAME students, compared to 30% in 2000**

(Gittleston: 2017)

WONDER WHERE THE WOMEN ARE IN YOUR ECON DEGREE?

Women are less likely to achieve a promotion in economics than in any other discipline

(Ceci et al: 2014)
